### **Forward-looking Statements**

This news release contains forward-looking information based on management’s best estimates and the current operating environment. These forward-looking statements are related to, but not limited to, AirIQ’s operations, anticipated financial performance, business prospects and strategies. Forward-looking information typically contains statements with words such as “hope”, “goal”, “anticipate”, “believe”, “expect”, “plan” or similar words suggesting future outcomes. These statements are based upon certain material factors or assumptions that were applied in drawing a conclusion or making a forecast or projection as reflected in the forward-looking statements, including AirIQ’s perception of historical trends, current conditions and expected future developments as well as other factors management believes are appropriate in the circumstances. Such forward-looking statements are as of the date which such statement is made and are subject to a number of known and unknown risks, uncertainties and other factors, which could cause actual results or events to differ materially from future results expressed, anticipated or implied by such forward-looking statements. Such factors include, but are not limited to, changes in market and competition, technological and competitive developments and potential downturns in economic conditions generally. Therefore, actual outcomes may differ materially from those expressed in such forward-looking statements. Forward-looking statements are provided for the purpose of providing information about management's current expectations and plans relating to the future. Readers are cautioned that such information may not be appropriate for other purposes. Other than as may be required by law, AirIQ disclaims any intention or obligation to update or revise any such forward-looking statements, whether as a result of such information, future events or otherwise.
