TRACKING

Construction & Heavy Equipment

Machinery, tools, and rental gear often sit idle or go missing on busy job sites. The **IQ-BATT-3** makes them easy to locate, helping reduce downtime and avoid costly replacements.

"Keep every piece of equipment accounted for."

Transportation And Logistics

Trailers, containers, and cargo can be misplaced. The **IQ-BATT-3** ensures constant visibility, reducing recovery costs and improving overall efficiency.

"Protect your rentals and your revenue."

Utilities And Remote Assets

Generators, pumps, and tanks often operate in remote or unmanned sites. **IQ-BATT-3** tracks them reliably without wiring, reducing site visits and cutting maintenance overhead.

"Monitor remote assets without the extra trips."

10 Years
Of Battery
(one ping/day)

COMPACT & TOUGH

IP68 waterproof and weatherproof housing built for tough environments
