

AirIQ®

Battery Powered Device

Don't waste time looking for your inventory!

Our battery powered device allows you to monitor your assets such as:

- ★ Containers
- ★ Trailers
- ★ Large Tools
- ★ Generators
- ★ Porta Potties
- ★ Livestock
- ★ The possibilities are endless...

The Value...

- ★ Maximize utilization of your assets
- ★ Lower costs by eliminating asset loss, theft or hoarding
- ★ Productivity of your personnel

The Benefits...

- ★ Easy to install and conceal with long battery life
- ★ All your monitoring in one platform
- ★ With a length of 4.25 inches, the AirIQ battery powered device will fit in the palm of your hands
- ★ Get notified when assets are on the move, stationary and batteries are at low voltage

**WE'LL MONITOR YOUR ASSETS
ON THE MOO-VE...YES EVEN COWS**

Whether it's livestock, containers or even people, the AirIQ Battery Powered Device will manage all your assets
