

FOR IMMEDIATE RELEASE

AirIQ Receives 2021 Canadian Business Awards

Toronto, Ontario – April 20, 2021 – AirIQ Inc. (“AirIQ”) (TSXV:IQ), a supplier of wireless asset management services, today announced that it has received two 2021 Canadian Business Awards for “Best Fleet Operator North American Telematics Platform” and “Customer Driven Solutions Provider of the Year”. The awards were presented by Corporate Vision Magazine as part of their annual celebratory magazine featuring businesses that “have demonstrated excellence and commitment in these tough times”.

“We are very proud to win these awards,” stated Mike Robb, President and Chief Executive Officer of AirIQ, “as they validate AirIQ’s core commitment to be a leader in the fleet asset management telematics field by offering valuable fleet operator solutions to our customers,” continued Mr. Robb.

Corporate Vision Magazine is dedicated to recognizing the companies, teams, and individuals who have gone above and beyond to achieve excellence in their field, remain innovative, and provide the most outstanding products and services to clients in a number of key industries across the business landscape.

About AirIQ

AirIQ (TSXV: IQ) was founded in 1997 and is a pioneer in IoT based asset management solutions. AirIQ’s solutions allow commercial businesses to reliably, effectively and efficiently monitor assets in near real time. The Company develops iOS and Android mobile and web-based applications, and cloud-based solutions that stand-alone or that can be readily integrated with existing software. AirIQ solutions are mixed fleet capable and provide fleet reporting, maintenance, compliance, safety and analytics utilizing multiple hardware options including a fully integrated video telematics camera solution and a battery powered solution for non-powered assets. . For additional information on AirIQ please visit the Company’s website at www.airiq.com or follow us on LinkedIn, Facebook and Twitter.

Forward-looking Statements

This news release contains forward-looking information based on management’s best estimates and the current operating environment. These forward-looking statements are related to, but not limited to, AirIQ’s operations, anticipated financial performance, business prospects and strategies. Forward-looking information typically contains statements with words such as “hope”, “goal”, “anticipate”, “believe”, “expect”, “plan” or similar words suggesting future outcomes. These statements are based upon certain material factors or assumptions that were applied in drawing a conclusion or making a forecast or projection as reflected in the forward-looking statements, including AirIQ’s perception of historical trends, current conditions and expected future developments as well as other factors management believes are appropriate in the circumstances. Such forward-looking statements are as of the date which such statement is made and are subject to a number of known and unknown risks, uncertainties and other factors, which could cause actual results or events to differ materially from future results expressed, anticipated or implied by such

forward-looking statements. Such factors include, but are not limited to, changes in market and competition, technological and competitive developments and potential downturns in economic conditions generally. Therefore, actual outcomes may differ materially from those expressed in such forward-looking statements. Forward-looking statements are provided for the purpose of providing information about management's current expectations and plans relating to the future. Readers are cautioned that such information may not be appropriate for other purposes. Other than as may be required by law, AirIQ disclaims any intention or obligation to update or revise any such forward-looking statements, whether as a result of such information, future events or otherwise.
